Subject Content

1. We follow the [National Curriculum](#).

Reading

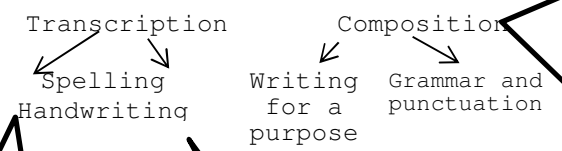

Our 'Book Talk' sessions allow children to discuss books together; in a focused and independent way. Teacher and staff can then guide groups to further their understanding.

Children are taught **phonics** (the sounds that letters make) using the highly successful [Read Write Inc. program](#).

Writing

How can you write if you can't talk? Of course you can't! So we teach children to write using [Talk for Writing](#) strategies - and the children love it!

At All Saints we know how important stories are for children. Dedicated story time each day cultivates a love of reading and extends children's vocabulary. Not only this, it inspires them to read for themselves.

Spelling is taught through [Read Write Inc. program](#) and then spelling rules are sent home weekly for children to practice.

Handwriting is taught using the brilliant and very effective [Kinetic Letters program](#)

Helping your child!
Reading with your child is very important.
A mixture of you reading to them and them reading to you is best.
