E-Safety - Musical.ly

It has come to our attention that some of our children are posting videos of themselves dancing on to a music website. As with other social media sites, this can be open to inappropriate use. Please follow the link below which gives parental guidance and advice.

May we also remind you that any photographs taken in school should only be shared with family and should not, under any circumstances, be posted on social networking sites.

Our pre-school clubs will be changing after half term. During the week commencing 30th October, Pacesetter Sports are holding free taster sessions. Below are details of the sessions available and attached is a flyer giving details of how to get your child signed up.

Poetry Day

Thursday 6th October was National Poetry Day, a celebration of all things poetical. We celebrated by reading and listening to poetry and writing our own poems. There were some wonderfully imaginative pieces of work by the children.

Open Mornings

Thank you to parents who came in to our Stay and Play mornings with our Reception and Year 2 children, sharing our work and joining in with class activities. From the feedback we received, both parents and children enjoyed these sessions.

Photographs

There were some bright and sparkly smiles on display for the school photographer yesterday. When we receive the proofs we will send them home with the children so keep an eye on book bags.

Parents Evenings

It was great to see so many parents at our first Parents Evening of the year. The next one is on Wednesday 19th October from 3.30 to 7pm. If you haven't yet requested an appointment time, please do this as soon as possible as time slots are filling up fast.

Parking

Once again we are asking for your help with parking on and around the school grounds. We have received several calls from local residents asking us to be more considerate at the end of the school day by not blocking driveways, parking on the pavements and on double yellow lines. They have contacted the council and are considering contacting the Police. Can we remind you that the main school gates open at the end of the school day at 3pm to enable parking on the back playground, Thank you for your support.

Also can we remind you that, in the mornings, the front car park should only be used for dropping off and **NOT** parking. This creates access and congestion issues. If you need to park please use the back playground. Your consideration would be appreciated.
